Teaberry's partnered with the Susan G. Komen Central and South Jersey Affiliate for their October 2010 fundraiser "Pink Ribbon Teas." Teaberry's donated one dollar for every pot of tea sold that month and the total raised was \$1,017. This donation will help advance their mission of eradicating breast cancer through the advancement of research, education, screening and treatment. Teaberry's thanks our wonderful customers for supporting and promoting this initiative.
